Warnings

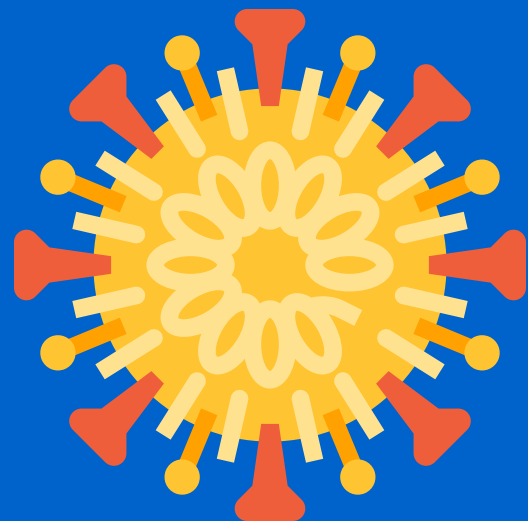

International de Montpellier is not (yet) an actual football club. We can't book the pitch so it is possible that on rare occasion it might be reserved or taken by others. When this happens we will either move to a near bye pitch or cancel at the last minute (it has never happened so far!)

Any aggressive, violent or discriminatory behavior before or during the game will not be tolerated and we reserve the right to expell any player of the Whatsapp group and any futur event.

Make sure you check the Whatsapp on sunday morning to see if there has been any changes to the venue or the line-up.
